& OPERATIONS DEPARTMENT**

**ODNR ARCHERY GRANT**

Nearly all equipment that was ordered has arrived. We will be purchasing supplies in April to make mobile quivers for the arrows.

**TOTAL SOLAR ECLIPSE**

Throughout the month of March, we continued preparations for total solar eclipse, with many contacts from out-of-state people interested in viewing the event.

It was an experience of a lifetime! Figures and pictures for event are still being compiled, and will be shared next month.

*Unfortunately, SNP was underwater for most of Eclipse weekend. But many visitors to other locations!*

Seneca County Eclipse t-shirts are still available at the office for anyone wanting some memorabilia of the event.

**ST. JOHN'S MILL RIVER ACCESS**

Moving forward with the landscaping and finishing the parking lot will help to wrap up the general site layout this year.

**SNOW BUNNY ACTIVITY**

The new find-it in the park activity challenged participants to find a much smaller than Sasquatch figure in the parks. So far, 22 participants have correctly unscrambled and submitted the answer to claim their winter surprise.
