

OPPORTUNITY PARK:

The **Community Play Date and Grand Opening/Ribbon Cutting** was a huge success. Thanks again to all the cooperating agencies, staff, and donors who made this possible!

A link of a video of the ribbon cutting is available on the park website, www.SenecaCountyParks/program-and-events/special-events.

ABBOTTS BRIDGE/SNP ACCESS:

Additional safety grading for river entry below the steps of the access, surface grading in the upper area surrounding the parking lots, and seeding is complete.

Future plans include: Landscape trees and shrubs will be planted in September with an information kiosk to be added later this year.

FRUTH WETLAND NATURE PRESERVE:

The garage construction has been delayed a little, now slated to start the beginning of October.
