

**FRUTH WETLAND NATURE PRESERVE:**

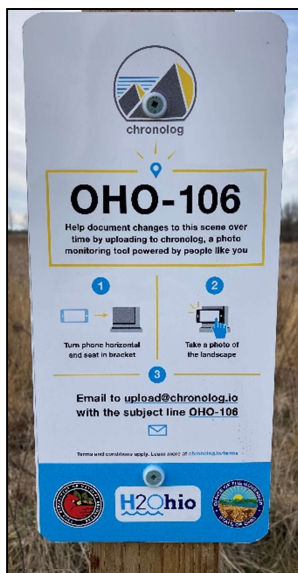

**NATURE EDUCATION CENTER**

*Design Development moves into construction document stage.* This Nature Education Center is a permanent improvement for the community and will have lasting positive impacts on many lives for many generations.

Funding sources are still being explored as the Capital campaign begins. Anyone contributing a minimum of \$250 dollars (tax-deductible) will receive recognition on the future donor wall located inside the building. The larger the contribution, the larger the recognition on the wall, but **all** greatly appreciated no matter the size.

*Fund raising by the Friends of the Parks – On Par for Parks* – golf scramble event took place Sunday, June 4. Thanks to all the donors, sponsors, participants, and volunteers for helping to make this event such a great success!

*H2Ohio Chronolog* – Fruth Wetland Nature Preserve was one of several H2Ohio projects who received a Chronolog post and device receiver, so that visitors to the site can place their phone into the receiver, take a picture, and then email it so that it can be inserted into a time-lapse loop for everyone to access on-line.
