

# SASQUATCH RETURNS!

Sasquatch returns to Seneca County. After being gone for a year and a half, Sasquatch is returning. There will be five locations in which to find him. Each location has specific dates listed below. At each location, Sasquatch will be holding two letters from the alphabet. Do not remove the letters Sasquatch is holding, but do remember the letters as you will need them to complete the challenge. Once you have visited all five locations, and have ten letters, unscramble the letters to complete the following phrase.
